Midi™ Spindles \$65

Premium woods start at \$80

2 1/2" diameter whorl on a 9" shaft

Our Midis™ are the most popular in size, and we make these in the widest range of beautiful and colorful woods. Spinners love Bocote, Zebrawood, Purpleheart, Bloodwood and Birds Eye Maple; others love rarer woods like Pink Ivory, Ebonies and Rosewoods. *Some rare woods* are difficult and expensive to obtain, and may be higher in price.*

Visit the searchable [Bosworth Spindle Group](#) at Flickr to see many of our **Standard** and **Premium Midi**

™ woods. Some rare and unusual woods are in limited supply; not all woods available at all times. Colors may vary by monitor; different boards have varying color intensities and grain.
